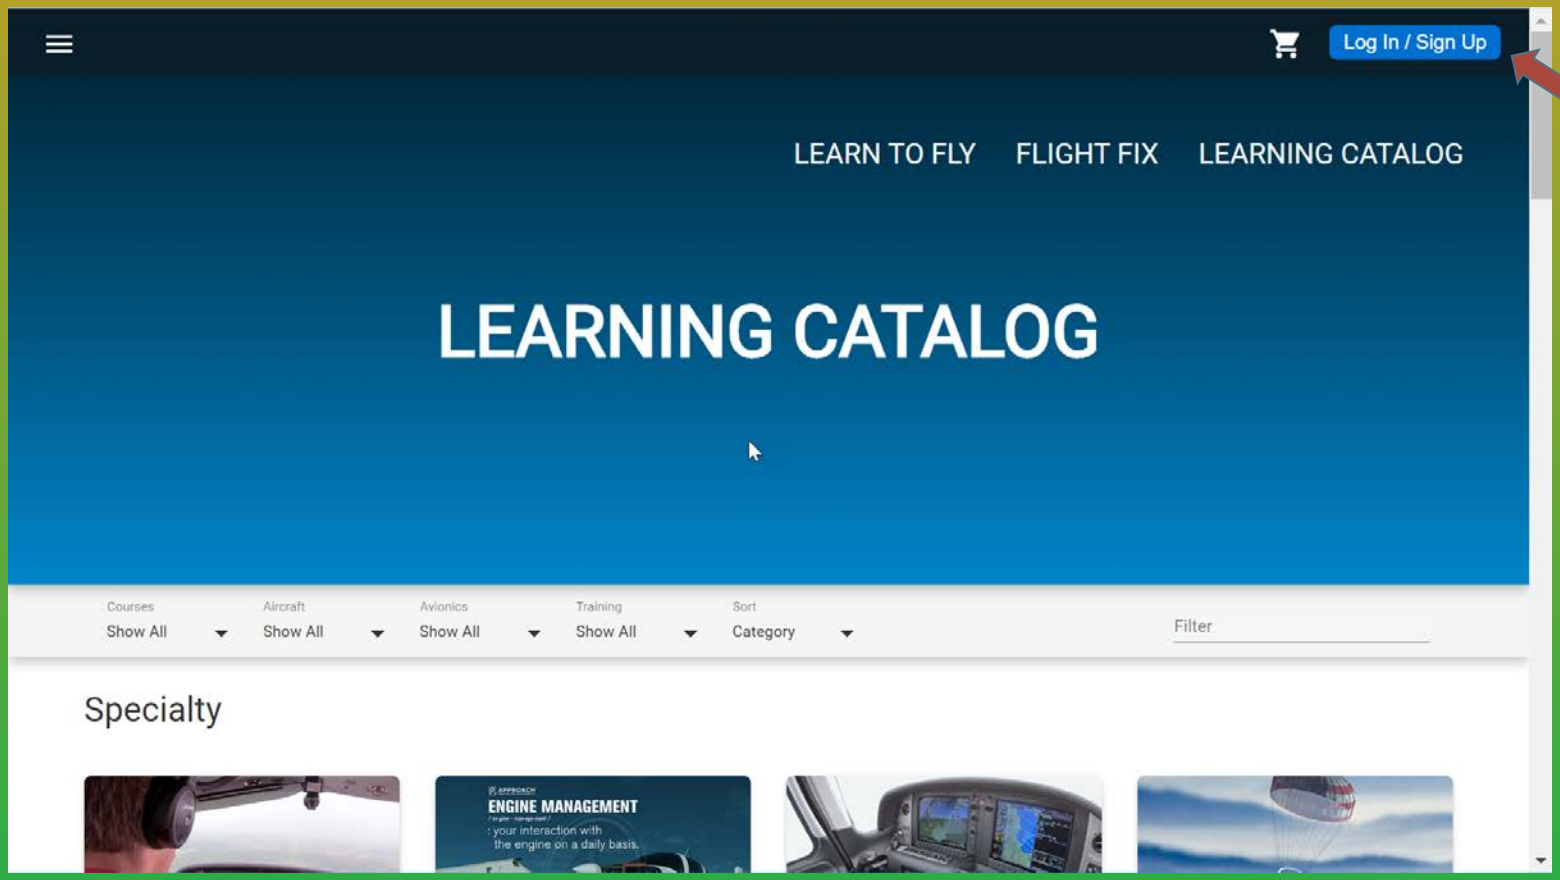
CIRRUS LMS

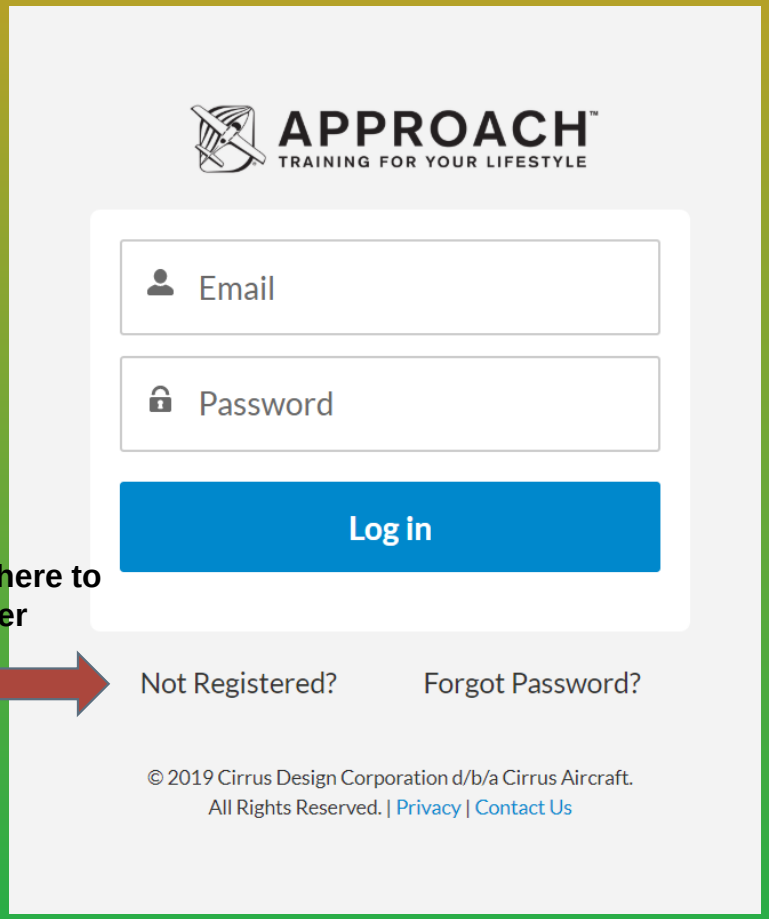
- Signing up for the Cirrus LMS platform allows me to track the credits I need to renew my CSIP certification
- Please see the following slides on how to create an account for our tracking
- Should only take 5-10 minutes at the most
- Recommended that his be done on a laptop or desktop
- Thanks for your help!
- Proceed to https://learning.cirrusapproach.com

CIRRUS LMS



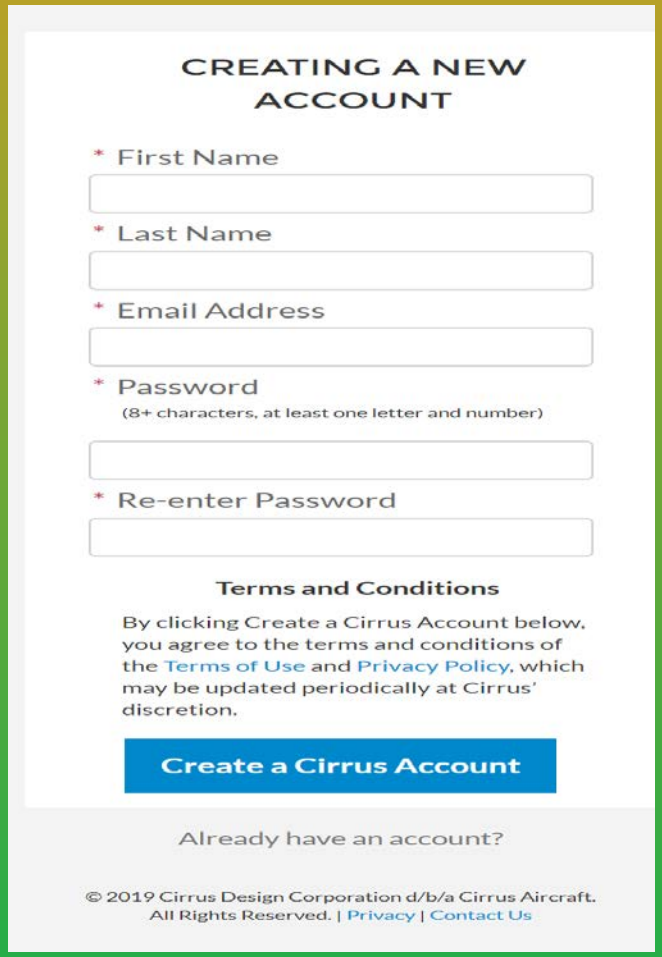
Start by clicking on the Login/ Sign Up button

CIRRUS LMS



Click here to register

CIRRUS LMS



Follow the instructions to create your Cirrus LMS account

CIRRUS LMS

CSIP
CIRRUS STANDARDIZED INSTRUCTOR PILOT

CIRRUS LMS

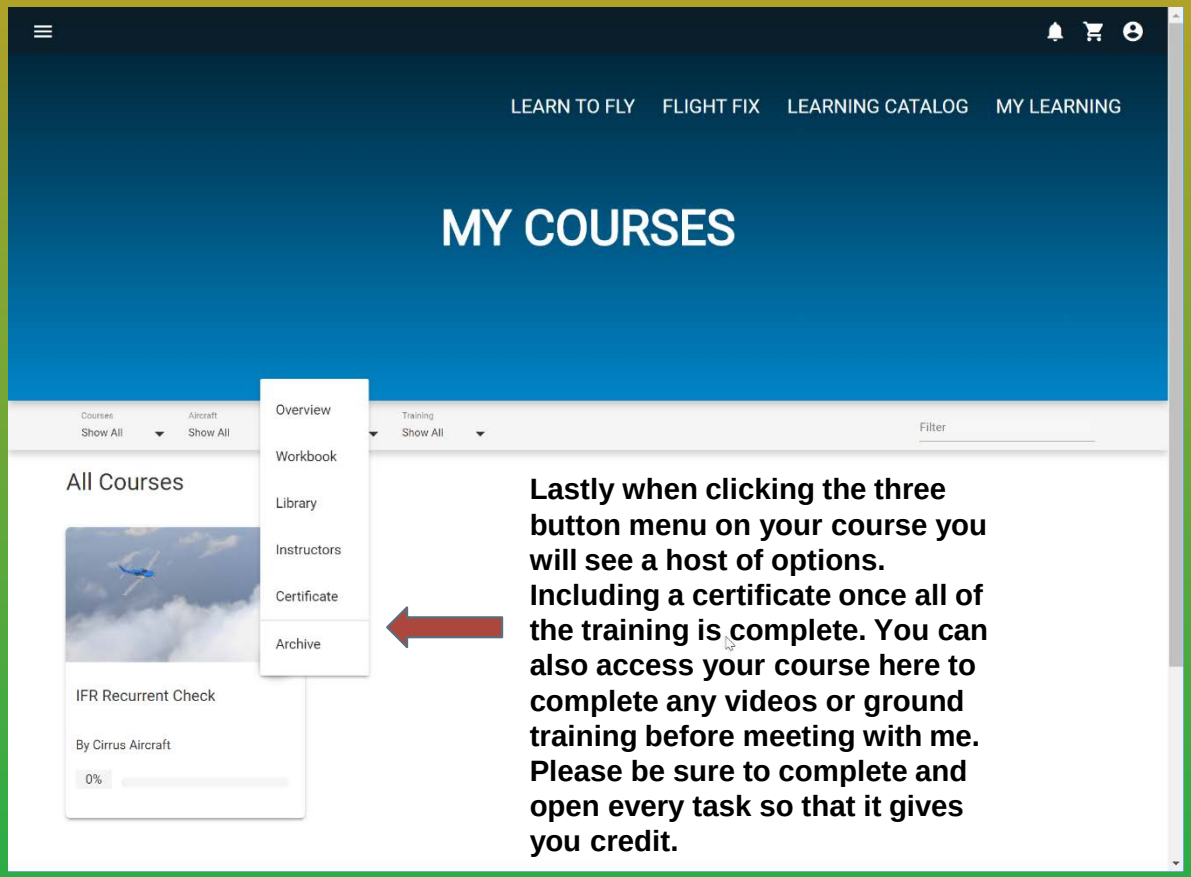
You will now have the course in the "My Courses" section

CIRRUS LMS



Lastly when clicking the three button menu on your course you will see a host of options. Including a certificate once all of the training is complete. You can also access your course here to complete any videos or ground training before meeting with me. Please be sure to complete and open every task so that it gives you credit.
